

Eco Friendly Merchandise

Is your marketing message concerned with fairness and equality?

These fair trade or organic cotton shoppers are the perfect substitute for your regular conference bags.

Are you wanting to communicate your contribution to reducing the scourge on plastic bottle waste?

As a corporate merchandise staple, you may be surprised to know that a R-PET lanyards made from recycled plastic bottles is available at nearly the same cost as a standard option!

Embody Your Marketing Message

Product substitutes are available to ensure you really embody your company values and communicate your positive marketing message to your target audience.

Is sustainability at the heart of your communications?

These bamboo fibre travel cups reduce single plastic use and are a perfect eco alternative to plastic.

Worried about the expense of eco alternatives?

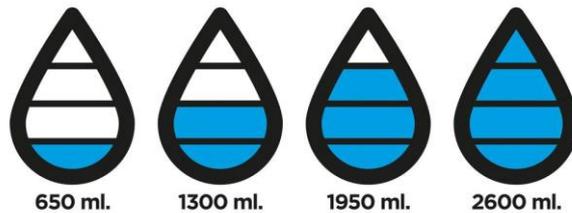

These eco super hit pens are made from 95% recycled materials at the same cost as the standard version.

Embody Your Marketing Message

Product substitutes are available to ensure you really embody your company values and communicate your positive marketing message to your target audience.

Drinkware

Hydration Tracking Bottle

Track your daily hydration goals with this cleverly designed leakproof Tritan water bottle. The lid displays a bigger water drop each time you refill and twist the collar so you can easily keep count of the number of bottles and volume of water you drink.

The Vasa 500ml sport bottle will keep your drinks hot for 12 hours or cold for 48 hours as it is made from 18/8 grade stainless steel with vacuum insulation and a copper plated inner wall

A premium option; this 500ml stainless steel thermos bottle can be made with a completely bespoke, full colour design and matching carton to make a beautiful and useful premium gift from 1000 pieces.

The all round, eco option! This sustainable 350ml tumbler with silicone grip and lid is manufactured from 100% biodegradable plant material (PLA) and is BPA free.

This UK manufactured 350ml double wall insulated tumbler and has a twist-on spill-proof lid. It can be printed with a full colour wraparound design moulded to the product, making it long-lasting and durable. EN12875-1 compliant; dishwasher safe, and microwave safe.

The Boom is a 225ml leakproof, double walled travel mug for your hot or cold beverages on the go. The most surprising feature is that it's designed to be completely dismantled at the end of its life-cycle ready for recycling.

General Office & Conference Merchandise

Pencils made in the UK using recycled CD cases which are available in a large range of colours. We also have pencils available made from recycled money and denim!

Eco ball pen with cap entirely made from recycled kraft & white paper with blue ink refill.

Jakart bamboo ballpoint pen with twist action mechanism.

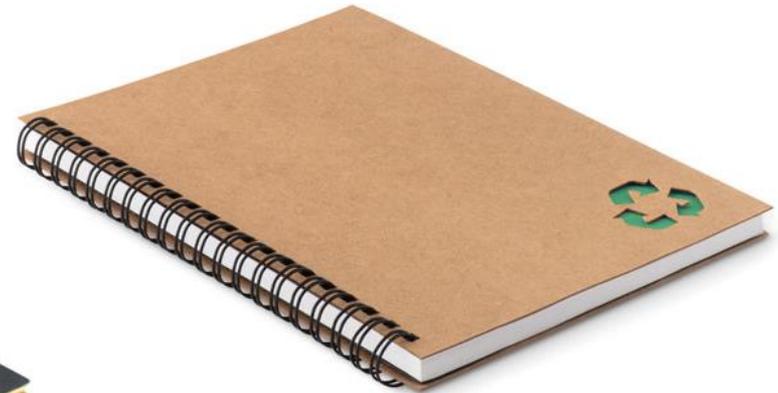

Premium bamboo pen in a matching carry case.

Bamboo!

Bamboo is a fantastic eco-friendly material due to its sustainability and much lower requirement for chemicals during production than cotton for example. Pollution is also reduced with bamboo cultivation as the plants reduce up to 35% carbon dioxide in the atmosphere and produce more oxygen.

This recycled notebook includes sticky notes, coloured page tabs and a pen in one tidy product.

This notebook's pages are made from 'stone paper'. Paper made from natural stone – calcium carbonate, limestone and HDPE plastic...as well as a recycled carton cover.

ECO notebook made from natural cork which is complete with a bamboo ballpoint pen and stylus tip.

Bamboo notebook with pen and ruler.

Recycled paper gift/conference bags can be made in various sizes and printed with full colour designs.

Recycled cotton tote bag. Due to the nature of recycled cotton, there may be a very slight colour variation. This feature distinctly adds to a more authentic appearance.

This handy backpack is made from 100% recycled polyester.

Eco Mini Umbrella

This umbrella's canopy is made from 100% recycled PET fabric, with a windproof aluminium frame – ideal for the British weather!

Eco Golf Umbrella

This broly has a 100% recycled PET canopy, and boasts a sturdy yet lightweight aluminium stem. A good size to share, or to take onto the green.

Save it For a Rainy Day...

....and these brollies will make you sing in the rain!

These button badges are made from seeded paper! Great for at your conference and to ensure your message is remember after too!

Eco-friendly compostable pots are the perfect smart packaging!

Certified compostable means these pots will compost in under 12 weeks once thrown into your food waste recycling! Made from plant materials and not plastic, these pots are a great green product, branded with a paper label and can be filled with mints, chocolate lentils, millions and more.

Made in the UK from recycled plastic these keyrings can be made in a variety of bespoke shapes.

Pocket Products

Small handy giveaways that everyone will love!

Recycled paper USB

R-PET lanyards are an easy substitute for standard polyester at a similar price.

Grow Your brand

Sprout pencils come with a dissolvable tip that contains seeds that grow when planted. Made using sustainable wood and available with multiple seed options.

Seed paper can be infused with a wide range of seeds and can be printed with full colour designs to make a really memorable and informative marketing tool..

Plant the Seed

Growth and sustainability made easy with these novel ideas!

This recycled aluminium tube contains dehydrated soil and seed pack. Just add water to grow plants in the tube on your desk!

Just add water and watch the flowers sprout to life. Contains a range of seeds for you to select from.

Something a Little Different for Your Desk?

A desk garden – bringing the outside to the inside!

Technology & Accessories

The Ultimate Conference Organiser

Open the 'Seattle' and you will see that an entire office can fit inside including your tablet (which you can also stand upright). This handy portfolio contains compartments and files for everything you need in the most compact form and is even made from rPET (recycled PET bottles).

This solar powered charger has an integrated 4000mAh rechargeable lithium battery to store your clean energy and the capacity is displayed on small LED's. It is made of eco friendly materials, ReSound and bamboo. The USB output allows you to connect any phone, tablet or any other mobile device.

Notos is a compact solar power bank. It can be opened and attached to any window with a simple twist to collect solar energy and boost your mobile devices. The power bank provides 2200mAh capacity with an output 5V/1A and input 5V/1A.
